This list of descendants of Dolphis and Josephine Schiller was compiled for the "Back To Your Roots" get together, held July 4th, 1985, at the P.J. Schiller Century Farm. By century farm, I mean 100 years of continuous ownership in the same family.

On July 8th, 1885, Dolphis bought the farm for \$2000.00, located on the NE $\frac{1}{4}$ of section 1, Bloomer Township and the E $\frac{1}{2}$ SW $\frac{1}{4}$ section 31, Tamarac Township, Marshall County, Minnesota.

This was a 240 acre farm complete with buildings, farm animals, farm machinery, and a planted crop. The house of eight rooms was fully furnished. Dolphis sold the farm to son, Leon and wife, Alice in 1896. They in turn sold it to their son, Phillip and wife, Stella in 1935. Phillip's son, P.J. and I, Rosemary bought the farm in 1967 and have farmed continuously with wheat, barley, soybeans, and sugarbeets as our main crops. Electricity was brought to the farm in 1948 and rural water in 1982.

The original house, on the banks of the Middle River, is still "home" to the Schiller family. It was remodeled in 1941 and has been renovated through the years. A garage, living room, and extra bedrooms have been added to accommodate our eight children.

I would like to dedicate this family tree to my dear father-in-law, Phillip Schiller Sr., who passed away Dec. 1, 1984; and to say thank you to Cecile Schiller Belland (1899-1983). Without Cecile's previous family tree, I would not have known where to start.

-peace to their memory-

Mrs. Rosemary Schiller
